MAN, THE MASTERPIECE OF CREATION

The Church proclaims this message in the Holy Bible:

God is our

father and for us He

created both

men and

women.

God created the sky and the Earth. He also created all the plants and animals on the Earth, all the fish in the sea and all the birds in the sky.

He created everything freely, out of love. And He gave it all to us. For everything He has given, we give him our thanks. 

God wants us to love and look after everything He has created.

1 Read this sentence and colour it in. 

GOD IS OUR FATHER,
WHO GAVE US THE CREATION

2 Draw yourself taking care of this flower. By doing this, you are looking after nature.

3 Replace the pictograms with words and you'll discover for whom you're important.

I am important for God  for my parents 

for my  grandparents, all of whom  love me

and  care for me.

1 Read this prayer and choose a sentence to share with your friends:

Father, you give me wonderful presents.

Thank you for the people who love me.

Thank you for the water, which gives me life.

Thank you for the sun, which gives me light and warmth.

Help me to love and respect and care for

all the people and things you've created.

2 Draw the people who love you showing you their affection. And give thanks to God for the gift they represent.
